We Value Authentic and Loving Relationships

We will build our church and embrace our community by
how we love others

Annual Church Business Meeting

Our Annual Church Business Meeting will be held today immediately following the AM Service. This year, there will be one vacancy to our Church Board of Deacons: Sean Williams will be coming off of the board per our church bylaws. Daniel Marlin will also be up for reelection. **The following people have been nominated: Daniel Marlin (up for reelection), Marc Cox, Gary Jones Jr., Jeff Losornio, and Dr. John Owens.** There will be no PM service tonight.

Join us tonight as AMP hosts a tailgate event full of food, fellowship, and football on the big screen. They are in need of 8-10 people to set up a tailgate booth (canopy, games, food, etc). Each booth will be in a contest judged by the attendees for appearance, interactivity, and food taste and quality. Please see Jeff Losornio if you would like to set up a tailgate booth. We'd love to see you there!

We will be hosting a simulcast of the XO Marriage Conference on Friday, February 10 and Saturday, February 11. Cost per couple is \$45. For more information, please see Jeff or Kim Losornio.

Thanks to everyone who supported the Bless Our Teachers Scrumptious Second Sunday breakfasts over the past year. The cooks are taking a break. No future breakfasts are planned at this time.
