

Sunday, July 9, 2017

Our Holy Spirit Conference will begin this morning and will conclude on Wednesday, July 12. Tonight's evening service will begin at 6:00 p.m. and Monday through Wednesday will begin at 7:00 p.m. We will be hearing from Pastor Phil Taylor (Pastor of Carbondale Assembly of God) and Jim King from the ministry Awakening Hope. Childcare will be available for children from birth through preschool age.

A team from our youth ministry is taking a missions trip to the Los Angeles Dream Center at the end of this month. They will be raising funds next Sunday, July 16, through two different fundraisers - a cookie bake sale following the AM Service, and a car wash in our parking lot prior to the PM Service, both for donations. Please see Pastor Jon or Jen for more information.

Our website is a great resource to use throughout the week. You can download and listen to past sermons, find a copy of the bulletin, give, find more information about our ministries, or share the site with friends you invite to church so they can watch our welcome video before attending.
