

Special Note

Pastor Dave has been in contact with pastors in the OKC area regarding all the devastation in the recent tornadoes. As soon as we have a concrete list of needs in those areas, we will be responding with help.

In the meantime, we have an urgent need in this area. Last Sunday there was a fire that destroyed everything belonging to Brent and Melissa Thompson and their three children. This is Jennifer Levesque's sister. If you would like to help financially, please designate "fire" on your check or offering envelope and we will be happy to get this assistance to the family.

Vacation Bible School

If you have a child that will be attending this year's Vacation Bible School, you can now register online!

Visit our website and follow the instructions to register now so you do not have to worry about it later. If you are interested in volunteering to help during the week of VBS, you can also register online now! Please register ASAP (preferably this week) so we can plan accordingly! And don't forget - this is a great event for kids to invite their friends!

May 26, 2013
