

Vacation Bible School

Vacation Bible School Starts in one week! If you have a child that will be attending this year's Vacation Bible School, you can now register online!

Visit our website and follow the instructions to register now so you do not have to worry about it later. And don't forget - this is a great event for kids to invite their friends!

If you are interested in volunteering, please let Miss Jana know immediately!

If you are already signed up to volunteer as a Crew Leader, there will be an informational meeting today following the AM Service.

Thank you for helping make this year's VBS a success!
