Welcome to Claremore Assembly of God! If today is your first time to join us, we'd love to invite you to stop by the Welcome Center in the lobby to receive your welcome bag and shirt!

# CarePortal

We are so excited for a new ministry opportunity within our community. CarePortal is a technology connecting platform that helps vulnerable children and families. When a need is identified and added to CarePortal, we are given the opportunity to respond. For more information, please see Terrye Robins or pick up a flyer in the front lobby. To sign-up to receive information on the needs in our community and how you can help, please text "Care" to 918-400-3774 or add your name to the list on the table in the front lobby.

## **Opportunities to Serve**

Make an impact this summer by serving at Vacation Bible School! This year's VBS will be held June 21-25. If you are interested in volunteering, there is an informational meeting immediately following today's service in the Family Life Center, or see Pastor Vince to sign up.

If you are interested in rocking babies during one Sunday or Wednesday service each month, please call or text Angela Powell for more information at 918-853-5371.
